

Your private event at The Coastal Settlement

The Coastal Settlement is surrounded by lush trees, shrubs and green fields; you can even take a peek of the sea while dining. Occasionally, you can chance upon a cruise ship sailing by and cackling hornbills in their flights. The interior is decorated with all things of the past - literally a museum filled with retro memorabilia, paintings, vintage vehicles, nostalgic gadgets and antique furniture.

Hosting your event in this part of Singapore is definitely one of a kind. Having successfully done several events in the past years, we assure your guests would certainly leave with an unforgettable experience.
